Exfilmplus™ AF

Anti-Fog Performance Shrink Film

Performance Features

- Greatly Reduces Residual Condensation and Fog
- Uniquely Versatile
- Cross-Linked Technology
- Maximum Shrinkage for Superior Product Conformity
- Outstanding Clarity
- Exceptional Tensile Strength & Tear Resistance
- Complies with FDA Standards, and is AIB Approved

Customer Values

- **Our New Technology Provides Anti-Fog Properties...**
Ideal for shrink packaging, fresh fruits, vegetables and other meat and refrigerated products.
- **Uniquely Versatile, Exfilmplus™**...This film operates on all types of equipment and sealing technology, ensuring excellent performance across a wide range of applications.
- **Cross-Linked Technology...**Provides consistent sealing and shrinking at a broader range of temperatures.
- **Maximum Available Shrinkage...**Ensures the film conforms to even the most irregular shaped products, providing superior aesthetics.
- **Outstanding Clarity...**Enhances retail product presentation, attracting more customers.
- **Exceptional Tensile Strength and Tear Resistance...**
Gives added durability and toughness to ensure your product is better protected.
- **Complies with FDA Standards** for direct contact with food, and is certified by the American Institute of Baking.

Intertape has Added a
New Generation of Film
to its Extensive Line of
Shrink Film Products...

Exfilmplus AF™

Now available
in 45 gauge

IPG offers a unique line of cross-linked, polyolefin shrink films, available in a wide choice of gauges, widths and film designs, such as print-treated and perforated, to ensure you have the best film for your application.

These include:

- **Exfilm® HSP – High Speed Shrink Film**
- **Exfilm® QSL – Quick Shrink & Slip Film**
- **Exfilmplus™ LTG – Light Gauge Shrink Film**
- **Exfilmplus™ – Performance Shrink Film**
- **Exfilmplus™ LTF – Light Force Shrink Film**

intertape polymer group™

Exfilmplus AF

Anti-Fog Performance Shrink Film

CHARACTERISTICS	TEST METHOD	REPRESENTATIVE VALUES					
		45		60		75	
Gauge		45		60		75

Corporate Profile

Intertape Polymer Group Inc. (IPG) is an acknowledged leader in the packaging industry, assembling the broadest and deepest range of products in the industry.

IPG is widely-recognized for its development and manufacture of specialized polyolefin plastic and paper-based packaging products, as well as complementary packaging systems for industrial and retail use. Additionally, IPG is a woven and flexible intermediate bulk container (FIBC) manufacturer. Its performance products, including tapes and cloths, are designed

for demanding aerospace, automotive and industrial applications.

Established in 1981 and headquartered in Montreal, Quebec and Sarasota/Bradenton, Florida, Intertape employs approximately 2,600 employees with operations in 19 locations, including 15 manufacturing facilities in North America and one in Europe. Intertape Polymer Group Inc. is a publicly traded company with its common shares listed on the New York Stock Exchange and The Toronto Stock Exchange under the stock symbol "ITP".

Team IPG... Working For You!

IPG's distribution network and company sales offices are conveniently located throughout North America. You'll find that our dedicated local distributors are ready to supply you with Intertape products and services, assisted by IPG's highly trained sales and service representatives, who offer quick response with the technical expertise you need. These IPG associates, and our distributors, combine to make up an unmatched team that provides you with the best service possible, and right in your own back yard.
